## Vote Dave Ridgway for Sitwell Ward

Dave Ridgway is a former local government worker, now recently retired. Dave has been a long term community servant with a wealth of experience of local issues and the workings of the Council under the current Labour regime in the Town Hall.

All of his experiences have led him to the conclusion that the main problem with the way politics in Rotherham is conducted, stem from the adversarial nature of the two old Parties and their dogmatic policy led approach with most decisions made in the Town Hall behind closed doors.

Rotherham's citizens are rarely listened to, no matter how right their cause, consultations are nothing but a shameful charade. Rotherham citizens need Independent voices on the Borough Council, ones that listen to and involve the people that matter, You!

Dave is passionate about education and is totally committed to the education and welfare of Rotherham's children. Dave is Chair of Governors on Listerdale Primary School and has served for over 20 years. He is also a keen supporter of Rotherham's Hospice and Bluebell Wood Children's Hospice and is keen that the Borough Council plays it's full part in supporting them.

Dave Ridgway a founder member of our group is someone the voters of Sitwell can have total confidence in to deliver on his promises.

# Let's CHANGE Rotherham for good!

## Jean and Peter Thirlwall on Dave Ridgway

*"We have known Dave Ridgway for many years and we are pleased that he is to be the Rotherham Independent candidate for Sitwell. Voters can place their faith in Dave with total confidence in his sincerity and honesty."*

## What Dave and Rotherham Independents exist to change:

- We put the people first, **our commitment to involve the peoples voice** is total.
- We believe that **decisions should always be made on merit**, not Party interest.
- Being a councillor is not a job and the **allowance scheme is too generous**.
- The Town Hall must no longer appear to be a 'Private Members Club', the **Town Hall belongs to us all**. Not the Labour or Tory Party.
- Councillors should hold Officers properly to account and they should both ensure that they **fully uphold their respective Codes of Conduct**.
- Rotherham Independents are committed to **ending the 'culture of secrecy'** so favoured by the two 'Old Parties' that control Rotherham currently.
